

Dear Business Owner and Community Member,

I hope this note finds you well. We are thrilled to invite you to participate in an extraordinary opportunity that promises both community impact and remarkable visibility for your business.

Power of the Purse is not just our annual fundraiser—it's a celebration of unity, empowerment, and community impact. This premier event, hosted by Cape and Islands United Way, will bring together over 200 influential professionals for an evening filled with networking, inspiration, and excitement. Attendees will enjoy exquisite food, seasonal cocktails, and the dynamic energy of our handbag auction featuring coveted brands and unique offerings.

We are reaching out to ask for your support through donations of handbags and gift certificates for our auction. Here's why this is a can't-miss opportunity for your business:

- **Exceptional Exposure:** Your contributions will be showcased to a prominent audience of community leaders and professionals, enhancing your brand's visibility.
- **Valuable Engagement:** Participate in an event that aligns your business with a cause that matters deeply—helping those in need across Barnstable, Dukes, and Nantucket counties.
- **Community Impact:** The proceeds will directly support critical programs addressing financial instability, food insecurity, lack of safe housing, and limited access to quality education. Your support helps ensure that our community members receive the resources they need to thrive.

To make your donation, contact us directly. We would be delighted to discuss how your involvement can make a difference and how we can spotlight your support at the event.

Thank you for considering this opportunity. We look forward to partnering with you to uplift our community and make a lasting impact.

Warm regards,

A handwritten signature in blue ink that reads "Evelyn Nelson".
